

THE FACE OF QUALITY FOR ALL CONDITIONS

WEYERHAEUSER EDGE GOLDTM ENHANCED FLOOR PANELS

Quality builders rely on Weyerhaeuser Edge Gold panels for good reason. They're tough enough to stand up to weather during construction delays. Each panel is fully sanded and engineered to start flat and stay flat with a fastening template for easy installation. And with built-in drains for rainwater and a 200-day no-sand guarantee, you have even less to worry about.

- Limited 50-year warranty against delamination
- Limited 200-day no sand guarantee
- Patented Down Pore[®] self-draining technology
- Sanded face for uniform thickness
- Easy-fit tongue-and-groove
- Self-gapping tongue-and-groove profile
- Every panel ships working-side up
- Nailing marks for quick and easy installation

WEYERHAEUSER EDGE GOLD™ ENHANCED FLOOR PANELS

THE PANEL OF EXPERTS IN FAIR WEATHER OR FOUL.

Weyerhaeuser Edge Gold panels don't just start flat, they install flat and stay flat. Thanks to patented Down Pore self-draining technology and a proprietary edge seal, our panels withstand the elements so well that they allow some framers to extend their building season. Plus, Edge Gold panels come with the added benefit of a 50-year limited warranty against delamination and a limited 200-day no sand guarantee when used as directed.

The best builders are always looking for new ways to cut down on job cycle times, increase profitability, and minimize callbacks. That's why we've added Down Pore self-draining technology on the edge of every panel. The face of every panel is stamped with a fastening template and each bundle ships face-up, ready for easy and accurate installation right off the truck.

Even if panels aren't properly gapped, Down Pore drainage grooves let the water through.

And to make sure the right products are on that truck, TJ-Pro™ Rating can help you customize the specific level of quality and performance your customers want. By using our ForteWEB™ software, you'll be able to determine the best combination of TJI® joists and Weyerhaeuser Edge Gold floor panels. For more information, visit wy.com/tj-pro-rating and wy.com/forte-software.

No sanding. No delamination. We guarantee it.

Some thicknesses and Down Pore technology may not be available in your region.

EDGE GOLD ENHANCED FLOOR PANEL BENEFITS

- Quick, hassle-free installation
- Limited 200-day no sand guarantee
- No more drilling holes to let rainwater through
- Fewer callbacks and reduced labor costs
- Long-term reliable performance
