

WEYERHAEUSER SOUTHERN PINE LUMBER

Weyerhaeuser's precision manufacturing, process control and mill direct supply give you consistent lumber quality, reliably delivered when you need it, where you want it.

- Our products are precision graded for consistent quality
- We provide innovative solutions to your toughest problems:
 - **Weyerhaeuser Framer Series® Lumber:** Guaranteed straight
 - **Premium™ Joists:** Optimal span capability
 - **Pro Series™ Lumber:** Reduced cull, less hassle
 - **Treater Series™ Lumber:** Treated by a Third Party and backed by Weyerhaeuser
 - **MSR/MEL:** Performance Tested™ Lumber
 - **No Prior Select:** A classic grade that continues to hit the mark
 - **Clears and 3-face Clears Lumber:** Highest quality appearance
 - **Factory-applied Mold Inhibitor:** Available in select markets
- All Weyerhaeuser lumber is certified to the Sustainable Forestry Initiative® (SFI) standard and carries the SFI label on each piece.
- Our lumber is 100% KD-HT S4S and produced in sizes of 2x4 to 2x12 through 20'. 4x4 timbers are also available in 8' lengths. Contact your Weyerhaeuser sales representative or call 800-321-4319 for more information.
